In claim 1 line 10, delete "a high speed fiber optic network cable" and insert --- the high speed fiber optic network cable ---.

In claim 10 line 8, delete "a connector and a fiber optic cable," and insert --- a network connector and a fiber optic network cable, ---.

In claim 10 line 10, delete "the fiber optic cable" and insert --- the fiber optic network cable ---.

a network connector, wherein the network connector is a switch for controlling signal communication over a high speed optic network cable to avoid signal collisions and maintain determinism throughout the fiber optic network, in the specific combination as recited in the claim.

Regarding claim 10, the prior art fails to teach a combination of the steps of:
operably connecting the first programmable logic controller, the second programmable logic controller and the IO module through a network connector and a fiber optic network cable, the operably connected first programmable logic controller, the second programmable logic controller, the IO module, the fiber optic network cable and the connector forming a sub-network; wherein data is transferred throughout the sub-network at a rate of at least 100Mb/s; and

providing a switch for controlling signal communication over the fiber optic network cable to avoid signal collisions and maintain determinism on the sub-network, in the specific combination as recited in the claim.

Regarding claim 15, the prior art fails to teach a combination of the steps of:

operably connecting the first programmable logic controller, the second programmable logic controller, the IO module through a network connector with a fiber optic network cable, and forming a sub-network, wherein the network connector is a switch for controlling signal communication over the fiber optic network cable to avoid signal collisions and maintain determinism throughout the sub-network, and wherein data is transferred throughout the sub-network at a rate of at least 100 Mb/s, in the specific combination as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
